

The ArtsCosmos™ logo is displayed in a white, slightly tilted rectangular box. The word "Arts" is in a grey sans-serif font, and "Cosmos™" is in an orange sans-serif font. The background of the entire page features a vibrant, multi-colored wavy pattern that transitions from purple and blue on the left to orange and yellow on the right.

Build your own website specifically designed for the Artist or Photography Professional

ArtsCosmos™ is Compucon's suite of solutions that enables artists and photographers to enhance their web presence. Pre-designed templates and modules, coupled with an easy to use web publishing tool, allow any user with novice PC skills to publish her/his professional and attractive site within a matter of minutes!

THE PORTAL

ArtsCosmos Members can access the service through dedicated Portals that create a whole community of users or customized Portals that belong to our Corporate Customers and serve their special needs for branded, unique and enhanced Internet presence.

THE TOOL

The innovative, simple to use online wizard is the best way for an artist to create a web site with minimum cost and effort. Through the ability to modify the segment specific modules, ArtsCosmos can be transformed to accommodate sites for painters, sculptors, graphic designers, actors and singers as well as any other solo artist requiring demonstration of her /his work.

THE WEB SITE

The result will be always unique, elegant and full of information; a personal and at the same time professional web site with the capacity to meet the special aesthetic and functional needs and demands of all artistic professions. This personal Internet portfolio allows artists and photographers to post their CVs; promote their artistic and professional achievements; present their most significant work through an abundance of photographs and images; publish their news and announcements; share and exchange opinions and knowledge with their colleagues and audience.

The SiteCosmos™ logo features a stylized fingerprint graphic composed of concentric, wavy lines in shades of grey. Below the graphic, the text "SiteCosmos™" is written in a bold, sans-serif font, with "Site" in grey and "Cosmos™" in orange.

What is ArtsCosmos™?

ArtsCosmos is Compucon's suite of solutions that enables artists and photographers to enhance their web presence. Pre-designed templates and modules, coupled with an easy to use web publishing tool, allow any user with novice PC skills to publish her / his professional and attractive site within a matter of minutes!

ArtsCosmos™ is a way to express and present your inspiration and creativity!

ArtsCosmos is a work of art created specifically for the people of art... Each web page published through the easy-to-use yet powerful online wizard is a unique artistic achievement; flexibly customizable in order to accommodate your personal "Look & Feel"; fully functional so as to assure that you have all the necessary tools to express yourself online. Create your dynamic and globally accessible portfolio; provide information about yourself, your work and your artistic influences; publish your opinion and ideas on contemporary art issues; communicate with people that appreciate your passion and talent. Undoubtedly, a web site created through ArtsCosmos can be the ideal promotion and the solidest proof of the originality and quality of your artistry.

ArtsCosmos™ is an open and free artistic community!

ArtsCosmos enables the creation of an online artistic community, a creative hive, where up-and-coming and established creators of any craft can interact with each other and most importantly with a wide, global audience. The ArtsCosmos network of portals and web sites alongside with advanced communication tools exploit to the maximum the most important social characteristics of the Internet (such as openness, lack of borders and restrictions) thus enabling members to freely and fruitfully communicate their ideas and opinions to the whole world.

ArtsCosmos™ is a way to create a personal online exhibition!

With ArtsCosmos you can create a portfolio of your work that has some extraordinary characteristics: It can support unlimited content; it can be accessible around the clock from any place in the world; it can be always current and fresh; it can attract numerous visitors and potential buyers. Becoming a member of the ever-expanding e-society through your personal online gallery was never easier even for novice PC-users.

ArtsCosmos™ is simple, easy and a great value for money!

All members of ArtsCosmos, whether individual online subscribers or users of a Mass Package or Enterprise License (for multiple users, whether administered online or through organization's own server), take advantage of the extra features and can attain personalised web presence with minimum effort and cost.

ArtsCosmos operates as an online, multilingual community that accepts any individual user on a very affordable subscription basis. Galleries, Art Schools as well as Art Maecenas (companies or individuals funding and promoting young artists) may opt to create their own, custom-built community with a very low budget and offer to all their members a personal web development tool and a window to the World Wide Web!
